

CHRISTMAS PARTY

The most wonderful time of the year is coming! That is why we would like to invite you for a **Virtual Christmas Event** on the **11th of December from 14.00 to 15.00.**

We will briefly look back to a very special year, but also look forward and have fun with all of our TKH Airport Solutions colleagues.

Before we celebrate, you get an assignment with your team... which is to create a **Christmas Card** to send to the rest of the teams. The Christmas Card can be a simple (digital) card, a Powerpoint, a video, a photo collage, you name it. Be creative! :-)

Along with this invitation is the division of the teams.

Rules of the game:

- Every team should appoint a captain (to be our point of contact)
- Create a Christmas Card with your team (as said, this can be a digital card, a video, a photo collage, a PowerPoint slide, etc.)
- Submit your Christmas Card to Annemette (as@induperm.com) **before 27th of November 2020**
- Starting the 30th of November, we will share Christmas Cards every morning 9am so you all going to get that Christmas feeling ;-)
- On the 9th of December, every team should vote for their top 3 of Christmas Cards. The team with the most points is going to be awarded during the event with Eternal Christmas Glory!

Organisation Virtual Christmas Event

Lionel, Julian, Annemette, Kimberlie, Marije
